

YOUR AUDIO, YOUR WAY

The MH670 Gaming gives you wireless freedom with maximum sound quality and superior versatility. 2.4GHz wireless connectivity plus virtual 7.1 surround sound and omnidirectional boom mic provide high-quality, lag-free audio with crystal clear comms to match. 3.5mm jack allows supreme versatility, with near-universal compatibility for any gaming platform of your choice, and everything is either detachable or foldable for convenient portability. Add in swiveling mesh ear cups for posh comfort and sleek, matte black styling, and you have a high-quality gaming headset that gives you your audio the way you want it.

FEATURES

- **Form-Fitting Cushioning** - Removable, swiveling ear cups and mesh fabric cushioning for breathability and comfort for the longest gaming sessions
- **High-Quality Audio** - Virtual 7.1 surround sound, 50mm Neodymium drivers, and omnidirectional boom mic for crystal clear sound quality on both ends
- **Wireless Audio with Zero Latency** - 2.4GHz means no more frustrating audio and comms lag for a truly latency-free solution
- **Universal Connectivity** - Versatile optional 3.5mm input allows for use with PC, PS4, Xbox One, Switch - and even mobile devices too.
- **Easy Portability** - Everything is detachable or foldable for easy on-the-go storage in a backpack or bag
- **Sleek Styling** - Classic Cooler Master design with metallic side plates and matte black finish throughout
- **The TYPE-C Adapter** is a USB Type-C connection port. When used with the MH670 Dongle, you can enjoy shocking sound and high-quality wireless transmission on new smartphones, tablets, computers, and laptops
